

Pedestrian Reporting Form

Dear Town Administrator,

As a community member, I think it is very important that the streets and sidewalks in Morristown are safe and pleasant places to walk. Recently while walking in the area, I noted the following problem/conditions in need of attention. Attached are sketches/photos, labeled with location and date illustrating exactly what and where the problems are. I've kept a copy of this form and will follow up in 2 weeks. Thank you very much for your help and attention to this matter.
