### **I. JOINT MEETING WITH TRUSTEES @ MORRISVILLE WATER & LIGHT**

Selectboard and Trustees members met to discuss options for regional representation. Todd Thomas had outlined options for the two boards to discuss. Option I would be to switch Regional Planning Commissions and join Northern Vermont Development Association (NVDA), Option II would be to remain with Lamoille County Planning Commission (LCPC), Option III would be to withdraw from regional representation and Option IV would be for Morristown/Morrisville to form their own RPC. Tasha Wallace, Executive Director of LCPC outlined the services that LCPC provides. Both boards have experienced lack of communication with LCPC staff as well as lack of cooperation and interference with local control.

Dan Lindley, Town Administrator made the recommendation to continue to investigate moving to NVDA and the services this organization can provide for the Town and the Village.

Both the Selectboard and the Village Trustees were in agreement that they should explore changing regional representation to NVDA and to see what services they might have to offer the Town due to long standing issues with LCPC.

**Motion made by Ed Debor to adjourn at 7:42PM, motion seconded by Chris Audy. Motion carried. (3/0)**
