III. COMMUNITY CONCERNS

1. Patricia Yarnell is having some water drainage problems and it seems to be coming from the culvert up above their driveway and is draining into their driveway. The Selectboard looked at the photos provided. It looks as though the builder put in a berm when the house was originally built to divert the water from that culvert. Eric Dodge felt that this was a home owner issue and not a Town issue as the problem is way outside the Town’s right of way. Eric thought maybe if the homeowners built up their driveway and did some ditch work might help the excess water problem.
2. Richard Lowe would like to know the process for delinquent dogs. Mary Ann said that residents are supposed to license by April 1, if not, they are charged a late fee and if not licensed by May 1, the Town Clerk’s office sends a list of non-registered dogs to Brian Kellogg, the dog catcher and they also send out reminder letters.
